All the sessions are offered on year round basis. Term-time only sessions are not available.

Breakfast is served between 7:30am and 8:30am and is included in an Early Start Session.

A non-refundable Registration Fee of £30 is payable for each child registered (except for the children attending Funded Only Sessions). The Registration Fee includes a free drawstring bag, t-shirt and water bottle.

Where a child's start date is more than 2 months after the date of registration, parents may choose to pay a Holding Fee of £150 to secure the place until the child starts attending the nursery. This fee will be credited against the child's standard deposit (if required) or refunded once the child starts attending if they are attending Funded Only Sessions. If the child does not start attending as agreed, the Holding Fee will be non-refundable. If the Holding Fee is not paid, the nursery will not reserve the place, and parents should contact the nursery approximately two months before the intended start date to check availability.

A monthly Administration Fee is £1.50. It will be charged on the first chargeable invoice of the month. This will not be charged on children attending Funded Only Sessions (where there is no fee due) or any extra sessions after the first chargeable invoice.

A refundable deposit of two weeks' fees is payable prior to starting. The deposit is not applicable to children attending Funded Only Sessions.

Fees are calculated on the actual sessions booked in the month – we do not charge for one week at Christmas when we are closed.

Please see the full Terms and Conditions attached to the Registration Pack for more details.

Payments

We accept (with a deposit of two weeks' fees) payment by internet bank transfer. In exceptional circumstances we will accept payment by Bank, Credit or Debit card or cash. This might incur an additional charge. We are registered to accept payments via the Government Tax-Free Childcare Scheme as well as many corporate voucher schemes.

Early Years funding

Your child might be entitled to 15 or 30 free funded sessions per week (see the brochure). These sessions are funded only for 38 weeks in a year (school term times).

At CHDN we offer a possibility of stretching your funded hours so you can use your funded hours over the whole year. If your child is entitled to 15 hours of funded sessions, you can choose to use these in term time only or you can use them as 11 hours per week for the whole year. If your child is entitled to 30 hours of funded sessions a week, you can choose to use these as 30 hours in term times only or you can use them as 22 hours per week for the whole year.

For clients wishing to attend for more hours than their funding entitlement, your funded hours will be deducted from the sessions listed above.
